Standard Sorts and Novelties

Mr. Chas. E. F. Gersdorff, the eminent authority, rates ten Coleman Originations that he has tested as of XXXX merit.

Twelve years in the Glad growing business. Bulbs carefully grown, "full of pep" and guaranteed to please.

JOE COLEMAN, Grower
Cleveland Road, Ravenna, Ohio

Coleman's Originations Have Made Good

MINUET—Medal Winner. Sparkling; clear lavender, without blotch or striping; best of substance. Flowers very large. Tall, healthy grower; good propagator. Will release but a dozen bulbs of this variety. Large young bulbs each \$100.00; small. \$50.00; bulblets \$10.00.

A big flower of brilliant camec pink, without markings. Unusual substance. Cannot see how it could be improved; a bulblet producer as well. Large young bulbs \$100.00 each.

GAY-NORE—New. A deep rose-red, difficult to describe. Fine flower. Few bulbs at \$1.00 each.
